A message from Miss Elvins and Mrs Clay

As we come to the end of another busy and joyful week, we wanted to share a few highlights from around school.

This week, the children have been especially inspired by a very special milestone: **Sir David Attenborough's 100th birthday**. The children spent time learning about his incredible contributions to nature, conservation, and our understanding of the planet. The children were fascinated by his life's work and enjoyed discussing how we can all help protect the natural world. The children joined in heart and song to celebrate Sir David Attenborough and all his marvellous work by singing "What a wonderful world" by Louis Armstrong. Perhaps the children would like to share this with you, or think about the many wonderful ways you could support and celebrate Sir David Attenborough's work at home.

Alongside this, we continued our regular learning across the curriculum, and the children have shown great enthusiasm and curiosity in every lesson.

Thank you, as always, for your continued support. We would like to wish you a restful and enjoyable weekend.

KS2 Swimming

A reminder that swimming lessons continued this week for **Years 3 and 4** and will run all the way until May Half Term. Please make sure to send you child into school with a towel, swim shorts/costume and goggles. Thank you.

Shrewsbury Town

Shrewsbury Town are at St Edwards each **Wednesday** for **After School sport club**. This term, the focus will be rounders for KS2 and target games for KS1. It's a great opportunity to get the children outdoors and playing together as a team. If you would like to sign your child up, please email or call the office. The club runs from 3.15 to 4.15pm.

Polite reminders

Parking:

We politely ask all parents who need to drive to school, to remember to park **legally, considerately and safely** at school drop off and pick up times. This will ease congestion around the school and help make the area around our school a safer place for our children. Alternatively, when possible, please walk to school or park further away this will help to keep our school street a safer place as well as having health benefits. We all want our children to be safe and by respecting the space outside school we can do this together.

Toys:

We've noticed a few toys being brought into school recently. Please could we ask children to leave these toys at home. They can be a distraction in class and we also don't want anything to get damaged.

Suncream:

As we're heading into the season of warmer weather, we encourage children to apply sunscreen before school. Water bottles are essential and sun hats are encouraged.

Snacks:

We encourage children to bring snacks to school and know the importance of keeping their energy levels up throughout the day, however, we have noticed some unsuitable snacks being brought in such as Tictacs and boiled sweets. Please ensure your children do not bring snacks of this kind into school. Thank you for your co-operation.

Reading

Reading is one of the most powerful habits a child can develop. Just a few minutes of shared reading each day strengthens vocabulary, builds confidence, and opens the door to new ideas and worlds. Whether it's a bedtime story, a chapter before dinner, or a quiet moment at the weekend, these small routines make a lasting difference.

We encourage you to spend time reading with your child or talking about the books they enjoy. Your involvement helps them see reading not as a task, but as something to look forward to. Next week the children will be coming home with new reading diaries, where you can record these shared moments. More information will follow.

Thank you for supporting a love of books at home. It truly matters.

Rereading Strengthens Understanding

Children often revisit favourite books to deepen comprehension and fluency.

At home: Encourage your child to reread a favourite story and notice new details.

Recommended read: *Brown Bear, Brown Bear, What Do You See?* by Bill Martin Jr. & Eric Carle - repetitive text builds familiarity and confidence.

Flourishing Moments

We know that many of our children partake in lots of exciting activities outside of school. We love to hear about them, and all the amazing things that our children achieve outside of our school hours. Please do send in your flourishing moments so that we can share in these proud moments too.

Please email a photo, with a description of the achievement to admin@stedwards.dhmat.org.uk.

Shredded Paper

As part of our Eco commitment, school would like to offer shredded paper out to families who may like this for their pets, chickens, guinea pigs etc. If this would help you, please speak to Jenny in the school office.

Thank you
